Memorandum

TO: Applicants for Licensure in Audiology

and/or Speech-Language Pathology

FROM: Renee Pearson Clark, Executive Director

RE: Useful Information for New Jersey Licensure Applicants

Introduction

The contents of this packet provides you with all the information you will need in order to apply for licensure in New Jersey.

Please follow the instructions carefully and remember that full compliance is necessary before you will be issued a license and can begin work.

To assist you, we have listed some common pitfalls which delay processing:

- The New Jersey Audiology and Speech-Language Pathology Advisory Committee will not verify your professional status with the American Speech-Language Hearing Association (ASHA). You must contact ASHA and request your certification or credentials and forward them to the Committee.
- Do not delay transmission of your National Teachers' Examination (N.T.E.) score to the Committee. For your convenience, please be advised that our Reporting Code Number is **7668**. Use of this number when requesting transmission will facilitate N.T.E.'s processing.
- When applying for a Temporary License, make certain that your Supervision Plan meets the requirements of N.J.A.C. 13:44C-5.2, which are included in your packet.

- When practicing under a Temporary License during your Clinical Internship, **REMEMBER** you must complete your Clinical Internship in the time indicated on your Supervision Plan. For those practicing full-time this is 9 months; for those practicing part time it may be up to 18 months. **PLEASE NOTE THAT YOUR TEMPORARY LICENSE ENDS WHEN YOU COMPLETE YOUR CLINICAL INTERNSHIP.** You must obtain your permanent license in order to continue to provide services. **The temporary license cannot be renewed.**
- Any change in supervision, including supervisor, location, or interruption of supervision must be promptly reported to the Committee's office.
- PRIOR TO COMPLETING YOUR CLINICAL INTERNSHIP, BE SURE PROPER NOTIFICATION IS MADE TO THIS OFFICE 2 MONTHS BEFORE YOUR ENDING DATE.

This will allow ample time for processing so there is no lapse of your licensing between the time your temporary license expires and your permanent license is processed.

YOU MAY NOT PRACTICE UNDER A TEMPORARY LICENSE BEYOND THE DATE INDICATED ON YOUR SUPERVISION PLAN.

FINALLY

Do not confuse the **New Jersey Audiology and Speech-Language Pathology Advisory Committee** with ASHA. The fact that ASHA is in receipt of your records does not satisfy your obligation to the State of New Jersey.

A) Examination Scores

The law stipulates that all holders of a New Jersey license for Audiology or Speech-Language Pathology show evidence of having passed the **National Teachers' Examination (N.T.E.)** which is administered by the Educational Testing Service (E.T.S.). Since E.T.S. has a policy of keeping scores for only five (5) years, the Committee will accept a Certificate of Clinical Competence (C.C.C.) as satisfactory proof of having passed the national examination in lieu of the actual score. **If you sat for the examination over five (5) years ago, please be certain to forward a notarized copy** of your Certificate of Clinical Competence. If your actual scores are available thru E.T.S. have them forwarded directly to the Committee.

B) Transcripts

You are required to submit an <u>original</u> transcript bearing the raised seal of the college or university where you earned your graduate degree. Transcripts for B.A. degrees are not required.

C) Photographs

Please be certain to enclose two (2) recent passport photos.

D) Verification of Good Standing

If you are licensed as an Audiologist or Speech-Language Pathologist in another state, please contact your state licensing board(s) to request that licensure verification be submitted to the Committee on your behalf.

E) Continuing Professional Education

Your license to practice Audiology or Speech-Language Pathology in the State of New Jersey must be renewed every two years. Please be aware that you will be required to document **twenty (20) hours of Continuing Professional Education if licensed within the first year of the licensing period; ten (10) hours if licensed after the first day of November of the second year of the licensing period; zero (0) hours if licensed within six months of the expiration date**. Please refer to N.J.A.C. 13:44C-6.1 - 13:44C-6.5 for specifics on continuing education. Once your regular license is issued, it is recommended that you begin acquiring the twenty (20) hours so that you will be able to qualify for renewal when your present license expires.

Should you have questions relating to the application procedure, you may call (973) 504-6390.

Please Note

Once your application process is completed, your temporary license or permanent license will be processed. LICENSE NUMBERS WILL NOT BE GIVEN OVER THE PHONE. PLEASE DO NOT CALL THE OFFICE TO OBTAIN YOUR TEMPORARY OR PERMANENT LICENSE NUMBER.

ATTENTION !!!!!!!

ALL APPLICANTS APPLYING FOR A TEMPORARY LICENSE TO COMPLETE CLINICAL INTERNSHIP/C.F.Y.

Please be advised that it is **NOT** necessary to obtain a Temporary License if you are completing your Clinical Internship/Clinical Fellowship Year (C.F.Y.) in a public school setting.

A Temporary License is only used for the purpose of completing your Clinical Internship/C.F.Y. outside of a public school setting with a minimum of 15 hours.

If you have any questions feel free to contact the Audiology & Speech Language Pathology Advisory Committee at (973) 504-6390.

AISO, PLEASE BE ADVISED OF THE FOLLOWING INFORMATION IF YOU ARE APPLYING FOR A TEMPORARY LICENSE TO COMPLETE A CLINICAL INTERNSHIP/C.F.Y. FROM THE AUDIOLOGY & SPEECH LANGUAGE PATHOLOGY ADVISORY COMMITTEE:

- 1. Please remember that your Clinical Internship/C.F.Y. does not commence until the date written on your Temporary License letter.
- 2. Please remember that the signed letter you receive from the Committee for your Temporary License functions as your license. Remember your license number and keep the letter for your records.
- 3. Please contact the Committee two months prior to the end of your Clinical Internship/C.F.Y. to find out what you require to go from a Temporary License to a Permanent License.

Medical Conditions Questions

Questions a through f pertain to medical conditions and use of chemical substances. Please read the definitions carefully. Your responses will be treated confidentially and retained separately. Please be aware that you have the right to elect not to answer those portions of the following questions which inquire as to the illegal use of controlled dangerous substances or activity if you have reasonable cause to believe that answering may expose you to the possibility of criminal prosecution. In that event, you may assert the Fifth Amendment privilege against self-incrimination. Any claim of Fifth Amendment privilege must be made in good faith. If you choose to assert the Fifth Amendment, you must do so in writing. You must fully respond to all other questions on the application. Your application for licensure or certification will be processed if you claim the Fifth Amendment privilege against selfincrimination. You should be aware, however, that you may later be directed by the Attorney General to answer a question that you have refused to answer on the basis of the Fifth Amendment, provided that the Attorney General first grants you immunity afforded by statutory law. (N.J.S.A. 45:1-20.)

For the purposes of these questions, the following phrases or words have the following meanings:

"Ability to practice as an audiologist or speech-language pathologist" is to be construed to include all of the following:

- The cognitive capacity to exercise the reasonable judgments of an audiologist or speech-language pathologist, and to learn and keep abreast of professional developments; and
- The ability to communicate those judgments and related information to patients and other interested parties, with or without the use of aids or devices, such as voice amplifiers; and
- The physical capability to perform the duties of an audiologist or speech-language pathologist, with or without the use of aids or devices, such as corrective lenses or hearing aids.

"Medical Condition" includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional or mental illness, specific learning disabilities, H.I.V. disease, tuberculosis, drug addiction and alcoholism.

"Chemical substance" is to be construed to include alcohol, drugs or medications, including those taken pursuant to a valid prescription for legitimate medical purposes and in accordance with the prescriber's direction, as well as those used illegally.

"Currently" does not mean on the day of, or even in the weeks or months preceding the completion of this application. Rather, it means recently enough so that the use of drugs may have an ongoing impact on one's functioning as a licensee, or within the previous two years.

"Illegal use of controlled dangerous substance" means the use of a controlled dangerous substance obtained illegally (e.g. barain or accoins) as well as the use of controlled dengarous substances which are not obtained pursuant to a valid pro-

	t taken in accordance with the directions of a licensed health care practitioner.	ODI	lamec	ı pur	suam to	a van	u prescrij	JUIOII OI
